

# CREED

Today I am here to serve and love people. Today, I choose to make a difference in this world. I choose to be a part of something bigger than myself and lay down my selfish ambition for the greater good of all. I will serve before I demand, I will love and not hate, and I will give before I take. I will make a difference in someone's life today. Lord, give me the inspiration to create new things; the wisdom to walk in your miraculous power and the courage to do the impossible. Today I will be full of character and integrity so that I may live my life in such a way that I will change the world.
